HOW TO APPLY

NON-PROFIT AND CHARITY

SCHOLARSHIPS

Events are often a key part of a non-profit organisation's fundraising efforts and revenue streams.

We'd like to play our part in supporting that key source of income for non-profits in assisting the training and development of the key personnel who make those events happen and successful.

This scholarship is available to existing staff or volunteers of a charity or non-profit.

Do you plan to undertake your work placement at a charity or non-profit? You are free to select your own choice of work placement when undertaking the Diploma of Event Management. So we encourage you to consider volunteering and doing your work placement at a charity or non-profit organisation. These organisations are often responsible for some of the most incredible events which would provide you an amazing experience to learn and support a good cause. In doing so, you also will become eligible for a non-profit and charity scholarship.
